## Description

An introduction to more than 10 western orchestral instruments, with teachers demonstrating the individual instrument, answering any questions about the instrument, we hope to help you choosing an appropriate instrument for your children. We will even let you and your children touch the genuine instrument and show you the baby version of these instruments that is suitable for a 4-year-old to start with!

## Schedule

**Jul 29, 2018    15:00 - 16:30**

**Fee: \$100 (with \$100 Cash Coupon)**

## Features

1. Touch and feel more than 10 instruments
2. Demo + Q&A by professional players
3. Help your children choosing a suitable instrument
4. Baby version instruments are available
